

CalTOP: Current Admission Process

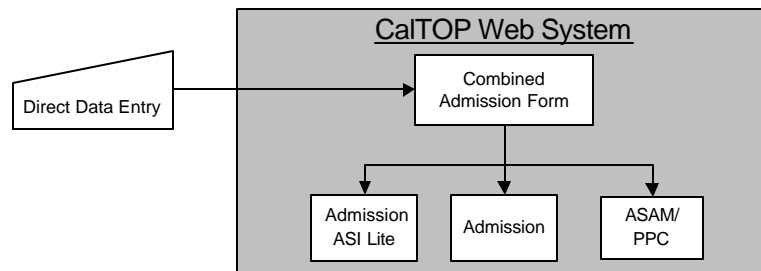

CalTOP: New Admission Process Utilizing ASI Web forms

On March 22, you will have three new options for adding admission transactions. These options are diagramed below. For additional information on each option or to access the hard copy forms that correspond to the use of each option click on the blue link next to the corresponding diagram.

The file upload process will not change for those of you who wish to continue using DeltaMetrics or Accucare.
